## : pulse

**MAY 21 - JUNE 14**

**WHAT:** New works by Anne M. Bray, Danielle Eubank, and Katherine Kean. The unexpected sublimity of Bray's landscapes—actually scenes of industrial disruption, complements the tranquility felt in Eubank's intimate character studies of water's myriad surfaces, while ethereal forms in Kean's imagery dissolve in shadowy layers.

**WHERE:** TAG Gallery, Santa Monica, CA.

**INFO:** [www.TAGgallery.net](http://www.TAGgallery.net).
